DATE OF REVIEW		LIST UPDATES:	

### Legislation, Regulations, Compliance Codes and Australian Standards

This appendix sets out the Acts, Regulations, Compliance Codes and other relevant standards applicable to the project.

**Note:** Acts, Regulations, Compliance Codes, Australian Standards used on site should be checked against the source versions of the documents available on the websites and locations listed in this document. For other Legislation or reference materials not listed in this document ask the Compliance Officer for assistance.

**Victoria – Safety Related Legislation:** The information in this Legal Register is specific to Victoria and available through: the [Victorian WorkSafe website](#); and the [Victorian Legislation and Parliamentary Documents website](#) (specifically Victorian Law Today). Current legislation has also been referenced from the [Australasian Legal Information Institute](#) (AustLII). Links are provided throughout this document.

## Project Legal Register

### **National Legislation, Codes of Practice and National Standards**

This appendix also lists applicable [National Standards](#) and [Codes of Practice](#) relevant to this Project. This information is available through the [Safe Work Australia website](#) (specifically [publications](#) for [Codes of Practice](#) or [National Standards](#)).

### **Australian/International Standards and the Building code of Australia (BCA)**

Copies of relevant Australian/International Standards and the Building Code of Australia are accessible by requesting a copy from company management.

**[Note: Hover over the document names to reveal their external links](#)**

## Project Legal Register
